

2024 MiX BMW Performance Center Driving Events FAQ

Friday, Free Flow

1. Do I need to wear a helmet?
Helmets are not required
2. Do I drive my own car or the BMW Performance Center cars?
For this Free Flow event, you will drive the BMW Performance Center fleet of cars, not your own.
3. What do I need to bring?
Other than wearing closed toe shoes, you do not need to bring anything but your passion to drive
4. What's the format of this event?
There will be several stations set up to work on specific driving skills. For example, one station may be the wet skid pad where you can work on your 'feel' for both understeer and oversteer. After you finish an exercise, you can rotate to another station to work on other skills.
5. What BMW Performance Center vehicles will be used?
The most recent model-year BMW vehicles will be on hand for this event; anything from a 2 series up to larger SAVs
6. Is lunch provided?
Yes
7. Will there be instructor hot laps?
Yes, at the end of the day, instructors get to have some fun, and take all participants for hot laps
